

Refusal of Hearing Test

I understand that in my employment with the University of Iowa, I may have had an occupational exposure to high noise levels and may be at risk for hearing impairment. I acknowledge that I have received information about the occupational exposure to high noise levels, and I have had full opportunity to ask any questions I may have about the exposure and the risk it could present.

I also acknowledge that I have been given the opportunity to have my hearing tested as required by IOSH (Iowa Occupational Safety and Health) Noise Standard at no charge to myself. However, at this time I am declining the hearing test.

I also understand that although I have declined the hearing test, I may at any time during my employment at the University of Iowa notify my supervisor to request and schedule such a hearing test, at no charge to myself.
